

Season 2016/2017 Gloucestershire Leagues

Regulations to be applied to Gloucestershire Leagues (Level 8 and below)

The English Clubs Championship (ECC) regulations will apply to all Gloucestershire Leagues, with the exception of the following amendments;

Regulation 13 - Appendix 2 - Paragraph 17 to 26 ROLLING SUBSTITUTIONS (Permitted Player Interchanges)

Consent has been given by the South West Organising Committee (SWOC) to continue the use of Rolling Substitutions for season 2016-17 subject to Regulations (13 Appendix 2 Regulation 18) for reasons of clarity for all concerned in the Gloucestershire Leagues the **MAXIMUM** number of rolling substitutions ("Permitted Player Interchanges") is **EIGHT** interchanges.

1. In a Play-Off Match (Gloucestershire Premier ONLY) Player Interchanges will only be permitted where both participating teams have played their previous League Matches with Permitted Player interchanges.
2. After the Permitted Player Interchanges have been made no other replacements, substitutions or Player Interchanges will be permitted for any reason (including temporary or permanent injuries, sending offs and suspensions) In the event that a player is injured, sent off or suspended from the field the team will play with one less player and with uncontested scrums in the event that this involves a front row player and the game cannot continue safely with contested scrums.
3. For the avoidance of doubt, Player Interchanges replace the "blood bin". If a player has an open wound and thus has to leave the field, this will be classified as a Player Interchange if that Player is replaced by another Player. If a team has used all of its Player Interchanges, that Player may not be replaced and the team shall continue with one less Player than was on the pitch prior to the "blood bin". The player is permitted to return once the wound has been treated and the bleeding stopped.
4. Not more than two Player Interchanges per team may occur at any one time and may only occur during a stoppage in play and with the knowledge of the Referee who is entitled in his sole opinion to refuse to allow or postpone a Player Interchange if he believes either that the Player Interchange would prevent the opposition from restarting the game quickly or where a player has been injured or that it would not be safe for the replacement player who has been previously injured to play in the match.
5. A player must enter the field of play on the halfway line.
6. A player who is a replacement shall not be entitled to take a kick at goal until a passage of play has taken place since that player has taken to the field of play.
7. A Player who suffers two injuries in a match which has necessitated that Player being replaced on each occasion is not permitted to act as a replacement following the second injury.

8. Under dispensation provided to Unions by the International Rugby Board, where these rolling substitutions regulations conflict with the Laws of the Game these Regulations shall take precedence.

Deregulation of Gloucestershire League 3 (Level 11) ONLY.

Regulation 13.4.1 Registration

1. There will be no requirement for Effective Registration of players. Clubs are reminded however that participation in any RFU Cup Competitions does necessitate the registration of players and are therefore recommended to continue with Registration on a voluntary basis.
2. There is no restriction on the number of Foreign Players.
3. It will remain necessary to complete match cards which should show the match result and should be countersigned by the Referee and Official Representatives of the participating Clubs.
4. The card must contain ALL the required details of the players participating in the match.
5. Players registered with another club may only be used where the Club which they are registered are at the same League level or the level above (i.e. Gloucestershire League 2) and play with the prior approval of that club. (Lack of knowledge that a player is registered for another club will not be a defence to any breach of this regulation 5).
6. Failure to comply with these simplified regulations may result in the deduction of points in the normal way.
7. The number of replacements is limited to 7 in accordance with IRB Regulations.
8. If a team has less than 15 players, every effort must be made to even up the numbers before the game starts, which may include loaning players to the opposition. Initially a team may not have more than a one-man advantage, any extra players being available as reserves. Subsequently a team may only increase its numbers with the agreement of the opposition.
9. All games in the League will start with a minimum of THIRTEEN men per side.
10. The only acceptable reason for not fulfilling a fixture is if a pitch is deemed unfit to use and no alternative is available. Failing to fulfil a fixture for any other reason is subject to a five-point deduction for the offending team, unless played as a friendly with the non-offending team awarded a nil-nil win.

You are reminded that other regulations within the RFU Handbook remain unaffected.
