Registration

Please find enclosed a list of your registered players. Some clubs have over 200 players registered and while this is not against the regulations below level six, it may make sense to go through your lists and remove players who are no longer active within the club. On more than one occasion a club has fielded an unregistered player in error after glancing at the list and believing they saw the player listed – a case of not being able to see the wood for the trees!

Please note the Edition 18 July 2007 forms will continue to be valid until further notice. There are currently no plans to issue a new form. Copies can be downloaded from the SW Website (www.swrugby.co.uk).

As forms are scanned it would be of assistance if forms are either unfolded or folded only once and not stapled or paperclipped to other items.

Result Cards

Once again the South West is pleased to supply post paid match result cards to clubs. ALL clubs are required to send a card in after a League game and this should be posted no later than the final collection on a Monday. Clubs playing in de-regulated Leagues should consult their local instructions regarding the amount of detail required on the card. A reminder to clubs to ensure their correct League name (eg SW1E or DV1NE) is shown on the card and where non-first teams are involved the correct number of the home and away teams (eg 2nds, 3rds etc). Please note these cards are for League games only. Clubs involved in RFU cup competitions will be supplied with a card separately.

Fixture Changes

Details of agreed fixture changes are now shown on the RFU website. The only changes permitted now are where two clubs wish to bring a game forward. We have attempted to chase up clubs who had not responded to their opponents request to change the date of a game but where we have not received a response the original date has had to stand.

Results

The usual reminder – all HOME clubs are required to phone their League and RFU Cup results to this office (0845 226 0411) by 5.30pm (at the latest) on matchdays. Check the SW Website for full details regarding postponed/unplayed games.
