2007-2008 Fixtures

Please find enclosed the fixtures for the new season. Please note the deadline for re-arranging other matches as explained on the front cover of the fixtures. If you want a complete set of fixtures for the South West they can be downloaded from the website.

Once again clubs will be able to nominate up to two non-league weekends when they will not be available for re-arranged matches. These nominations must be made in using the downloadable form on the website or directly on line, giving a minimum of eight weeks notice. (In the event eight weeks notice is not given such nomination will automatically be ineffective). All weekends during the season are deemed to be available – so do not wait until you have a game postponed before nominating an unavailable weekend. If you have a tour booked already – close the date now! Clubs will not be ordered to play any re-arranged games on the 22nd or 29th December so there is no need to declare those dates as unavailable.

League Secretaries

An updated list of League Secretaries will be available on the website shortly.

Nominated League Contact

All communications from this office are sent to the nominated league contact. Clubs are asked to confirm the latest details on the enclosed form and return it as soon as possible. Occasionally league secretaries have to contact clubs at short notice, it is essential that your records are up-to-date. If you do not have an email address, please supply an emergency one of another club official. Any changes made after the form has been submitted can be notified via the website. Clubs with 2nd/3rd/4th teams in the leagues are advised to nominate separate contacts for their lower teams to that used for the first team.

Registration Forms/Result Cards

Result Cards will be sent to clubs in August. Registration forms can be downloaded from either the SW or RFU websites.
